T and T Consulting Services, Inc. (T&T) is an **8(a) Economically Disadvantaged, Woman-Owned Small Business (EDWOSB)**, specializing in exceptional Enterprise IT Solutions and Business Integrated Services.

We strive to maintain 100% client satisfaction by providing efficient and effective Enterprise IT Support Services, Solutions Engineering, Information Assurance Services as well as Management and Advisory Services. By developing close working relationships with our clients, we are able to identify core needs and provide innovative, customized, and flexible solutions that best meet their mission requirements.

Our commitment to quality services and technical proficiency is validated by our exceptional Contractor Performance Assessment Reports System (CPARS) reports from past and present customers, our appraisal at **CMMI Maturity Level 3** for Services, as well as our certification as an **ISO 9001:2015** and **ISO 20000-1:2011** compliant organization.

T&T has also gained national recognition, including being named as a Top 100 MBE, awarded the US Women's Chamber of Commerce Growth Master Award, ranked on the Inc. 5000 List, and named on the Washington Business Journal Fastest Growing Companies list.
